

Signed Copies

I'm happy to sign copies, personalizing them with a little note, and send them to anywhere in the Unites States. The books will be shipped media mail, which takes up to ten days to arrive, depending on the busyness of the postal service. If you need them shipped more quickly, or if you live outside of the U.S. then let's talk, and we'll work out the price. I'm currently signing copies of:

For \$20 including shipping

The Suitcase
The Man and the Vine
The Woman and the Wheat
The Hidden Garden
Sweet Song
When God Made You

For \$15 including shipping

The Life of Saint Brigid

For \$13 including shipping

A Book of Questions

Simply email me at <u>jane@janegmeyer.com</u> with this information:

- What book you'd like
- Name of person you'd like the book signed to and a little something about them
- Mailing address of where to send the book

In return I'll send you an email with my mailing address if you'd like to send a check, or I'll forward my paypal info if you'd prefer to pay that way. Once I have your information I will sign, pack, and mail the book.
